INDEPENDENT AUDITOR'S REPORT

The Honorable A. Michael Hickox
Nassau County Property Appraiser
Nassau County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the general fund of the Nassau County, Florida, Property Appraiser (the Property Appraiser) as of and for the year ended September 30, 2019, and the related notes to the financial statements, which collectively comprise the Property Appraiser's financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based upon our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

The Honorable A. Michael Hickox
Nassau County Property Appraiser
Nassau County, Florida

INDEPENDENT AUDITOR'S REPORT

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the general fund of the Property Appraiser as of September 30, 2019, and the respective changes in financial position and budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the *Rules of the Auditor General* of the State of Florida (the Rules). In conformity with the Rules, the accompanying financial statements are intended to present the financial position, changes in financial position, and budgetary comparisons of each major fund and the aggregate remaining fund information, where applicable, only for that portion of the major funds and the aggregate remaining fund information of Nassau County, Florida that is attributable to the Property Appraiser. They do not purport to, and do not, present fairly the financial position as a whole of Nassau County, Florida as of September 30, 2019, and the changes in its financial position, budgetary comparisons, or cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to these matters.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report on our consideration of the Property Appraiser's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Property Appraiser's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

**NASSAU COUNTY PROPERTY APPRAISER
NOTES TO FINANCIAL STATEMENTS**

Note 1 - Summary of Significant Accounting Policies

The following is a summary of significant accounting principles and policies used in the preparation of the accompanying financial statements.

Reporting Entity

Nassau County, Florida (the County) is a political subdivision of the State of Florida. It is governed by an elected Board of County Commissioners (the Board).

The Nassau County, Florida, Property Appraiser (the Property Appraiser) is an elected official of the County pursuant to the Constitution of the State of Florida, Article VIII, Section 1(d). There were no component units related to the Property Appraiser. The Property Appraiser is a part of the primary government of the County. The Florida Department of Revenue approves the Property Appraiser's total operating budget, the Property Appraiser is responsible for the administration and operation of the Property Appraiser's office, and the Property Appraiser's financial statements do not include the financial statements of the Board or the other Constitutional Officers of Nassau County, Florida.

The operations of the Property Appraiser are funded by the Board of County Commissioners, the St. Johns River Water Management District, the Amelia Island Mosquito Control District, and the Florida Inland Navigation District. The receipts from the Board are recorded as other financing sources on the Property Appraiser's financial statements.

For financial reporting purposes, the Property Appraiser is deemed to be a part of the primary government of the County and, therefore, is included as such in the County's annual financial report.

Basis of Presentation

The accompanying financial statements include all funds and accounts of the Property Appraiser's office, but are not intended to be a complete presentation of the County as a whole. Except for this matter, they are otherwise in conformity with accounting principles generally accepted in the United States of America (GAAP). The accompanying financial statements were prepared for the purpose of complying with Section 218.39, Florida Statutes, and Section 10.557(4), *Rules of the Auditor General—Local Governmental Entity Audits*.

The financial transactions of the Property Appraiser are recorded in one individual fund. This fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures.

The Property Appraiser reports the following fund type:

■ **Governmental Fund**

● **Major Fund**

- ▶ **General Fund**—The general fund is the general operating fund of the Property Appraiser. It is used to account for all financial resources, except for those required to be accounted for in another fund.

**NASSAU COUNTY PROPERTY APPRAISER
NOTES TO FINANCIAL STATEMENTS**

Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the general fund financial statements and refers to the timing of the measurements made, regardless of the measurement focus applied.

The modified accrual basis of accounting is followed by the general fund. Under the modified accrual basis of accounting, revenues are recognized when they become both measurable and available to finance expenditures of the current period. The Property Appraiser considers revenues to be available if they are collected within 30 days of the end of the current fiscal period. Expenditures are recorded when the liability is incurred, except for accumulated sick and vacation pay, which are not recorded until paid.

Measurement Focus

The accounting and financial reporting treatment applied to the fixed assets and long-term liabilities associated with a fund are determined by its measurement focus. The general fund is accounted for on a spending or "financial flow" measurement focus. This means that generally, only current assets and current liabilities are included in the balance sheet. General fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Accordingly, they present a summary of sources and uses of "available spendable resources" during a period.

Budgetary Requirement

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with the Florida Statutes. An annual budget is approved by the Florida Department of Revenue for the general fund. Budget to actual comparisons are provided in the financial statements for the general fund, where the Property Appraiser has legally adopted an annual budget. All budget amounts presented in the accompanying financial statements have been adjusted for legally authorized amendments of the annual budget for the year.

Budgets are prepared on the modified accrual basis of accounting.

The Property Appraiser's annual budget is monitored at varying levels of classification detail. However, for purposes of budgetary control, expenditures cannot legally exceed the total annual budget appropriations at the individual fund level. All appropriations lapse at year-end.

Capital Assets

Tangible personal property is recorded as expenditures in the general fund at the time an asset is acquired. Assets acquired by the Property Appraiser are capitalized at cost in the capital asset accounts of the County. The Property Appraiser maintains custodial responsibility for the capital assets used by his office.

Compensated Absences

The Property Appraiser maintains a policy of granting employees annual leave based upon the number of years of employment. An employee can receive payment for such accumulated annual leave upon termination of employment in good standing up to a maximum of 300 hours. In addition, the Property Appraiser maintains the following policy for sick leave. Sick leave is accumulated at the rate of one day per month. Upon appointment or election to county-wide office, death, or voluntarily resignation (or retirement), with two weeks' prior written notice, an employee will be paid for accumulated sick leave up to a maximum payout of 400 hours calculated based upon years of service and a percentage of pay.

**NASSAU COUNTY PROPERTY APPRAISER
NOTES TO FINANCIAL STATEMENTS**

Fund Balance Reporting

The Property Appraiser implemented the provisions of Governmental Accounting Standards Board (GASB) Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, as required. The purpose of GASB 54 is to improve the consistency and usefulness of fund balance information to the financial statement user. The statement establishes fund balance classifications that comprise a hierarchy based primarily on the extent to which the organization is bound to honor constraints on the specific purpose for which amounts can be spent. Fund balance is reported in five components: non-spendable, restricted, committed, assigned, and unassigned.

- **Non-Spendable**—This component of fund balance consists of amounts that cannot be spent because: (a) they are not expected to be converted to cash; or (b) they are legally or contractually required to remain intact. Examples of this classification are prepaid items, inventories, and principal (corpus) of an endowment fund. The Property Appraiser does not have any non-spendable funds.
- **Restricted**—This component of fund balance consists of amounts that are constrained either: (a) externally by third parties (creditors, grantors, contributors, or laws or regulations of other governments); or (b) by law through constitutional provisions or enabling legislation.
- **Committed**—This component of fund balance consists of amounts that can only be used for specific purposes pursuant to constraints imposed by formal action (e.g., ordinance or resolution) of the County's governing board. These committed amounts cannot be used for any other purpose unless the Board removes or changes the specified use by taking the same type of action (e.g., ordinance or resolution) it employed previously to constrain those amounts.
- **Assigned**—This component of fund balance consists of amounts that are constrained by a less-than-formal action of the Property Appraiser, or by an individual or body to whom the Property Appraiser has delegated this responsibility. By definition, fund balances are also assigned to the extent that they are needed to finance a subsequent year's budget deficit. The Property Appraiser's assigned fund balance totaled \$234,922 as of September 30, 2019. These funds were approved by the Board of County Commissioners to be retained by the Property Appraiser's office to be used for upgrades to the software appraisal system.
- **Unassigned**—This classification is used for: (a) negative unrestricted fund balances in any governmental fund; or (b) fund balances within the general fund that are not restricted, committed or assigned.

When both restricted and unrestricted resources are available for use, it is the Property Appraiser's policy to use restricted resources first, then unrestricted resources (committed, assigned, and unassigned) as they are needed. When unrestricted resources (committed, assigned, and unassigned) are available for use, it is the Property Appraiser's policy to use committed resources first, then assigned, and then unassigned, as needed.

**NASSAU COUNTY PROPERTY APPRAISER
NOTES TO FINANCIAL STATEMENTS**

Note 2 - Cash

At September 30, 2019, the carrying amount of the Property Appraiser's deposits was \$402,966 and the bank balance was \$485,169. Deposits in banks and savings and loan institutions are collateralized as public funds through a state procedure provided for in Chapter 280, Florida Statutes. Financial institutions qualifying as public depositories are required to pledge eligible collateral having a market value equal to or greater than the average daily or monthly balance of all public deposits times the depository's collateral pledging level. The Public Deposit Security Trust Fund has a procedure to allocate and recover losses in the event of a default or insolvency. When public deposits are made in accordance with Chapter 280, no public depositor shall be liable for any loss thereof. All of the cash deposits of the Property Appraiser are placed with qualified financial institutions, which means they are insured or collateralized.

Note 3 - Employee Retirement Plan

General Information about the Florida Retirement System (FRS)

The Florida Retirement System (FRS) was created in Chapter 121, Florida Statutes, to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program (DROP) under the defined benefit plan and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. This integrated defined contribution pension plan is the FRS Investment Plan. Chapter 112, Florida Statutes, established the Retiree Health Insurance Subsidy (HIS) Program, a cost-sharing multiple-employer defined benefit pension plan, to assist retired members of any state-administered retirement system in paying the costs of health insurance.

Essentially all regular employees of the Property Appraiser are eligible to enroll as members of the State-administered FRS. Provisions relating to FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112 Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, *Florida Administrative Code*; wherein eligibility, contributions, and benefits are defined and described in detail. Such provisions may be amended at any time by further action from the Florida Legislature. The FRS is a single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of two cost-sharing, multiple-employer defined-benefit plans and other non-integrated programs. A comprehensive annual financial report of the FRS, which includes its financial statements, required supplementary information, actuarial report, and other relevant information, is available from the Florida Department of Management Services' web site (www.dms.myflorida.com).

FRS Pension Plan

Plan Description. The FRS Pension Plan (the Plan) is a cost-sharing multiple-employer defined benefit pension plan, with a DROP for eligible employees. The general classes of membership applicable to the Property Appraiser are as follows:

- *Regular Class*—Members of the Plan who do not qualify for membership in the other classes.
- *Elected County Officer Class*—Members who hold specified elective offices in local government.
- *Senior Management Service Class*—Members in senior management level positions.

**NASSAU COUNTY PROPERTY APPRAISER
NOTES TO FINANCIAL STATEMENTS**

Employees enrolled in the Plan prior to July 1, 2011, vest at six years of creditable service and employees enrolled in the Plan on or after July 1, 2011, vest at eight years of creditable service. All vested members enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62 or at any age after 30 years of service, except for members classified as special risk who are eligible for normal retirement benefits at age 55 or at any age after 25 years of service. All members enrolled in the Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service, except for members classified as special risk who are eligible for normal retirement benefits at age 60 or at any age after 30 years of service. Members of the Plan may include up to four years of credit for military service toward creditable service. The Plan also includes an early retirement provision; however, there is a benefit reduction for each year a member retires before his or her normal retirement date. The Plan provides retirement, disability, death benefits, and annual cost-of-living adjustments to eligible participants.

DROP, subject to provisions of Section 121.091, Florida Statutes, permits employees eligible for normal retirement under the Plan to defer receipts of monthly benefit payments while continuing employment with an FRS employer.

An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Benefits Provided. Benefits under the Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the five highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the eight highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement class to which the member belonged when the service credit was earned. Certain members are eligible for in-line-of-duty or regular disability and survivors' benefits. The following chart shows the percentage value for each year of service credit earned:

Class, Initial Enrollment, and Retirement Age/Years of Service	Percent Value
<i>Regular Class Members Initially Enrolled Before July 1, 2011:</i>	
Retirement up to age 62 or up to 30 years of service	1.60
Retirement at age 63 or with 31 years of service	1.63
Retirement at age 64 or with 32 years of service	1.65
Retirement at age 65 or with 33 or more years of service	1.68
<i>Regular Class Members Initially Enrolled on or After July 1, 2011:</i>	
Retirement up to age 65 or up to 33 years of service	1.60
Retirement at age 66 or with 34 years of service	1.63
Retirement at age 67 or with 35 years of service	1.65
Retirement at age 68 or with 36 or more years of service	1.68
<i>Elected County Officers</i>	3.00
<i>Senior Management Service Class</i>	2.00

**NASSAU COUNTY PROPERTY APPRAISER
NOTES TO FINANCIAL STATEMENTS**

As provided in Section 121.101, Florida Statutes, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3% per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3% determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3%. Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement.

Contributions. The Florida Legislature establishes contribution rates for participating employers and employees. Contribution rates during the 2018-2019 fiscal year were as follows:

Class	Year Ended June 30, 2019		Year Ended June 30, 2020	
	Percent of Gross Salary		Percent of Gross Salary	
	Employee	Employer	Employee	Employer
FRS, Regular	3.00	6.54	3.00	6.75
FRS, Elected County Officers	3.00	46.98	3.00	47.10
FRS, Senior Management Service	3.00	22.34	3.00	23.69
DROP – Applicable to Members from All of the Above Classes	0.00	12.37	0.00	12.88
FRS, Reemployed Retiree	(1)	(1)	(1)	(1)

Notes: (1) Contribution rates are dependent upon retirement class in which reemployed. The rates above do not include the 1.66% HIS contribution rate and the .06% administrative fee.

The Property Appraiser contributions (employer) to the FRS Plan totaled \$183,123 for the fiscal year ended September 30, 2019. This excludes the HIS defined benefit pension plan contributions.

Pension Liabilities. At September 30, 2019, the Property Appraiser's proportionate share of the FRS net pension liability was \$1,994,329. The net pension liability was measured as of June 30, 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2019.

Further information about the Property Appraiser's net pension liability, pension expense, actuarial assumptions, sensitivity analysis, and other required disclosures related to the FRS Plan can be found in the County-wide annual financial report.

HIS Pension Plan

Plan Description. The HIS Pension Plan (the HIS Plan) is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes. The Florida Legislature established and amends the contribution requirements and benefit terms of the HIS program. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs.

**NASSAU COUNTY PROPERTY APPRAISER
NOTES TO FINANCIAL STATEMENTS**

Benefits Provided. For the fiscal year ended September 30, 2019, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$5. The minimum payment is \$30 and the maximum payment is \$150 per month, pursuant to Section 112.363, Florida Statutes. To be eligible to receive a HIS Plan benefit, a retiree under the State-administered retirement systems must provide proof of health insurance coverage, which may include Medicare.

Contributions. The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. For the fiscal years ended June 30, 2020 and 2019, the contribution rates were 1.66% and 1.66% of payroll respectively, pursuant to Section 112.363, Florida Statutes. The Property Appraiser contributed 100% of its statutorily required contributions for the current and preceding three years. HIS Plan contributions are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event the legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or canceled.

The Property Appraiser's contributions to the HIS Plan totaled \$19,193 for the fiscal year ended September 30, 2019.

Pension Liabilities. At September 30, 2019, the Property Appraiser's proportionate share of the HIS net pension liability was \$384,493. The net pension liability was measured as of June 30, 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2019. The Property Appraiser's proportionate share of the net pension liability was based on the Property Appraiser's contributions to the HIS Plan compared to the contributions of all participating members.

Further information about the Property Appraiser's net pension liability, pension expense, actuarial assumptions, sensitivity analysis, and other required disclosures related to the FRS Plan can be found in the County-wide annual financial report.

FRS – Defined Contribution Pension Plan

The Property Appraiser contributes to the FRS Investment Plan (the Investment Plan), a defined contribution pension plan, for its eligible employees electing to participate in the Investment Plan. The Investment Plan is administered by the SBA, and is reported in the SBA's annual financial statements and in the State of Florida Comprehensive Annual Financial Report. Service retirement benefits are based upon the value of the member's account upon retirement.

**NASSAU COUNTY PROPERTY APPRAISER
NOTES TO FINANCIAL STATEMENTS**

As provided in Section 121.4501, Florida Statutes, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. Property Appraiser employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual members' accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida Legislature. The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class (Regular Class, Elected County Officer, etc.), as the FRS defined benefit plan. These blended rates include the applicable rates for the unfunded actuarial accrued liability of the FRS defined benefit plan, the 1.66% HIS contribution rate, and the .06% administrative fee. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Allocations to the investment members' accounts during the 2018-19 fiscal year were as follows:

<u>Class</u>	<u>Percent of Gross Salary</u>	
	<u>Employee</u>	<u>Employer</u>
FRS, Regular	3.00	3.30
FRS, Elected County Officers	3.00	8.34
FRS, Senior Management Service	3.00	4.67

For all membership classes, employees are immediately vested in their own contributions and are vested after one year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the Plan is transferred to the Investment Plan, the member must have the years of service required for Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Non-vested employer contributions are placed in a suspense account for up to five years. If the employee returns to FRS-covered employment within the five-year period, the employee will regain control over their account. If the employee does not return within the five-year period, the employee will forfeit the accumulated account balance. Costs of administering the Investment Plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06% of payroll and by forfeited benefits of Investment Plan members. For the fiscal year ended September 30, 2019, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the Property Appraiser.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the Plan, or remain in the Investment Plan and rely upon that account balance for retirement income.

The Property Appraiser's Investment Plan pension expense totaled \$12,605 for the fiscal year ended September 30, 2019.

NOTES TO FINANCIAL STATEMENTS**

Note 4 - Changes in Long-Term Debt

The following is a summary of the changes in accumulated compensated absences of the Property Appraiser for the year ended September 30, 2019:

	Balance October 1, 2018	Additions	(Deletions)	Balance September 30, 2019
Accrued Compensated Absences	\$ 112,749	\$ 131,850	\$ (116,718)	\$ 127,881
Net Pension Liabilities:				
FRS Plan	1,728,981	265,348	-	1,994,329
HIS Plan	378,671	5,822	-	384,493
Other Postemployment Benefits	<u>775,392</u>	<u>-</u>	<u>(44,240)</u>	<u>731,152</u>
Total Long-Term Debt	<u>\$ 2,995,793</u>	<u>\$ 403,020</u>	<u>\$ (160,958)</u>	<u>\$ 3,237,855</u>

Accrued compensated absences represent the vested portion of accrued leave. See Note 1 for a summary of the Property Appraiser's accumulated compensated absences policy.

See Note 3 for more information on the Net Pension Liabilities related to the FRS and HIS Pension Plans.

Other Postemployment Benefits (OPEB) represents the portion of the liability based upon current and retired employees of the Property Appraiser. See Note 5 for a description of OPEB.

The Property Appraiser's long-term debt is not recorded in the accompanying financial statements but is recorded in the statement of net position as part of the basic financial statements of the County.

Note 5 - Other Postemployment Benefits

The County offers certain postemployment health care benefits that are considered part of an OPEB plan for financial accounting purposes. The OPEB is a single-employer benefit plan administered by the County. Retirees are charged whatever the insurance company charges for the type of coverage elected. However, the premiums charged by the insurance company are based on a blending of the experience among younger active employees and older retired employees.

Retirees and their dependents (except for life insurance) are permitted to remain covered under the County's respective medical and insurance plans as long as they pay a full premium applicable to coverage elected, subject to the direct subsidy in the following table. This conforms to the minimum required of Florida governmental employers per Chapter 112.08, Florida Statutes.

**NASSAU COUNTY PROPERTY APPRAISER
NOTES TO FINANCIAL STATEMENTS**

Percent of Direct Subsidy up to "Subsidy Base Maximum"

Years of Service		
With Nassau	Hired Before	Hired on or After
County	10/1/05	10/1/05
At Least 6	100%	0%
15 Years	100%	50%
20 Years	100%	65%
25 Years	100%	80%
30 or More Years	100%	100%

Currently, the Property appraiser has 19 active employees and four retired employees who are considered participants in the plan for purposes of computing the OPEB obligation. The Property Appraiser's portion of the OPEB obligation at September 30, 2019, totaled \$731,152. This liability will be included in long-term liabilities in the County-wide financial statements. Details of the annual cost, the accrued obligation, and the other required disclosures can be found in the County-wide annual financial report.

OTHER REPORTS

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

The Honorable A. Michael Hickox
Nassau County Property Appraiser
Nassau County, Florida

We have audited in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the general fund of the Nassau County, Florida, Property Appraiser (the Property Appraiser), as of and for the year ended September 30, 2019, and the related notes to the financial statements and have issued our report thereon dated March 11, 2020, which was modified to state that the financial statements are not intended to be a complete presentation of Nassau County, Florida, as a whole.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Property Appraiser's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Property Appraiser's internal control. Accordingly, we do not express an opinion on the effectiveness of the Property Appraiser's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Property Appraiser's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Property Appraiser's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Property Appraiser's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Property Appraiser's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

The Honorable A. Michael Hickox
Nassau County Property Appraiser
Nassau County, Florida

We have examined Nassau County, Florida, Property Appraiser's (the Property Appraiser) compliance with the requirements of Section 218.415, Florida Statutes, as of and for the year ended September 30, 2019, as required by Section 10.556(10)(a), *Rules of the Auditor General*. Management is responsible for the Property Appraiser's compliance with those requirements. Our responsibility is to express an opinion on the Property Appraiser's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Property Appraiser complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Property Appraiser complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material non-compliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Tax Collector's compliance with specified requirements.

In our opinion, the Property Appraiser complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2019.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Property Appraiser, its management, and the Board of County Commissioners of Nassau County, Florida, and is not intended to be, and should not be, used by anyone other than these specified parties.

MANAGEMENT LETTER

The Honorable A. Michael Hickox
Nassau County Property Appraiser
Nassau County, Florida

Report on the Financial Statements

We have audited the financial statements of the general fund of the Nassau County, Florida, Property Appraiser (the Property Appraiser), as of and for the fiscal year ended September 30, 2019, and have issued our report thereon dated March 11, 2020.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; and Independent Accountant's Report on an examination conducted in accordance with AICPA *Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports and schedule, which are dated March 11, 2020, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made in the preceding annual financial audit report.

MANAGEMENT LETTER

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Property Appraiser was established by the Constitution of the State of Florida, Article VIII, Section 1(d). There were no component units related to the Property Appraiser.

Financial Management

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate non-compliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, the Property Appraiser, its management, and the Board of County Commissioners of Nassau County, Florida, and is not intended to be, and should not be, used by anyone other than these specified parties.

We wish to take this opportunity to thank you and your staff for the cooperation and courtesies extended to us during the course of our audit. Please let us know if you have any questions or comments concerning this letter, our accompanying reports, or other matters.
